

# ONLINE GIVING MADE EASY AT ST PATRICK PARISH

No more checks or cash...simplify your church offering!

Make your recurring (simpler for you, better for the Parish!) or one-time donations using your credit card, checking or savings accounts. You choose the amount and frequency. Your financial information will NEVER be shared with any outside party, not even the Parish.

## START GIVING ONLINE TODAY:

<https://saintpatrickparishglencove.weshareonline.org>

- 1** Visit the website by typing the above address into your internet browser.
- 2** To sign up for recurring collections, click “**Make a Donation**” in the “**St Patrick Main Collection**” box.
- 3** Click on “**Recurring Donation**” and follow the instructions. The first time you do this, you will be asked to set up your account and financial information. You will not need to do this again. Change it at any time.
- 4** NOTE: Setting up recurring donations for the main collection does not include **second collections** or **holy days of obligation**. To give for these events, you must revisit the site periodically, click on the specific event and to make a one-time donation for that collection. These events will be visible several months prior to the collection date. We will send out email reminders when those dates approach.

That's it! You've made your contribution easier for you and your Parish! Thank you.
